Great, thanks Brandon! Would you give me Ben's email please? I would like to set up a conference call to discuss. I'll invite you as well. Thanks!

Hi Michelle,

Ben Wright is probably the primary contact; however, I've been actively involved in the CRC exemption proposal. Please contact me or Ben if you have any questions. I hope you have a wonderful day,

Good afternoon Brandon,

Are you a good contact person for the Water Board related to this potential aquifer exemption project by CRC or is there someone else assigned to it – and if so, could you let me know who

that would be. This came up at a meeting we had with John and Janice on Monday and I'd like to follow up. Thanks!

Sincerely,

Michele
